Nature of Colours

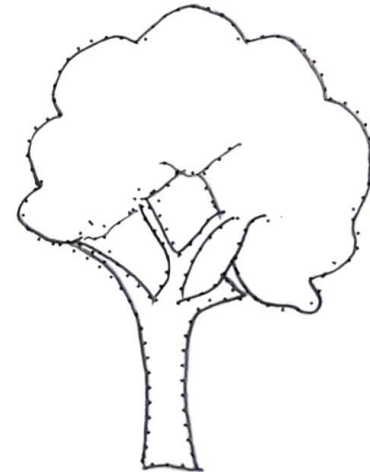

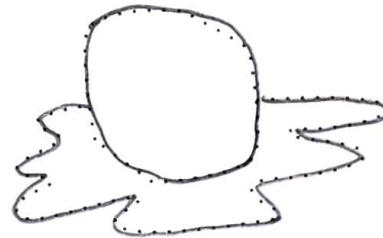

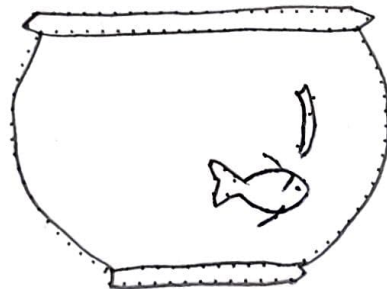

Colours can be categorised as warm and cool colours.

Warm colours such as red and yellow; express warmth because they remind us of things like the sun or fire. Cool colours such as blue and green; express a cool feeling because they remind us of things like water or grass. Trace the given objects and colour them with appropriate colours.

WARM COLOURS

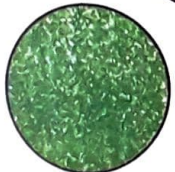

COOL COLOURS

Warm Colours

Cool Colours

Warm Colours

Trace the given composition and fill warm colours in it.
