KARNATAKA

Do yourself.

## LET US DO IT!

- Write the names of two Indian dishes that you like: \_\_\_\_\_ 2. \_\_\_\_\_
- You have friends from different cultures in your class. Share your tiffin with them and also enjoy the delicacies brought by them.

There is a lot that we get from trees: fruits, medicines, wood, rubber, furniture, gum, the list can go on endlessly. Trees also purify air and add oxygen to it. Can you match the pictures of trees given below with their names correctly?

1

- NEEM TREE

COCONUT TREE

3

MANGO TREE

5

2

PEEPAL TREE

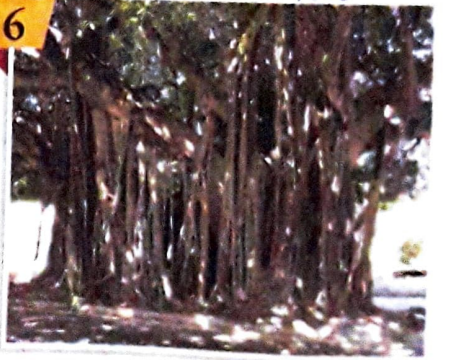

CEDAR TREE

4

BANYAN TREE

6

a. Coconut Tree (3)

b. Mango Tree (5)

c. Neem Tree (1)

d. Banyan Tree (6)

e. Peepal Tree (2)

f. Cedar Tree (4)

### KNOW TO GROW

Various products derived from the neem tree are being used in India since ancient times for their medicinal properties. Neem products are believed to have antifungal, antibacterial, antiviral and worm expelling properties.
