- T
- T
- F
- T

2. Write any two differences between man and computer.

MAN

1. I can do work very fast
2. I can do calculation accurately

COMPUTER

1. I can also do but I tired sometimes.
2. I can also do calculation but not accurately

3. Answer the following questions.

a. Who can remember many things for a longer time?

Computer

b. Who can work without electricity?

Man

c. Who can work and play for hours and never get tired?

Computer

d. Who is better - man or computer? Why?

Man is better than computer because
Computer is not working without instruction.

Fun Doo...

Rashmi wants to give instructions to the computer. Help her find the way to reach the computer.

Lab Activity 1

- Using MS Paint make a poster of Man vs Computer. You can use a clip art of a man on one side and computer on the other. Type the topic and save your file.
