Part – 1

A. **Select and tick the correct option :**

1. Food
2. Apple seeds
3. Pisciculture
4. Scavenger

B. **Fill in the blanks :**

1. Energy and growth
2. Plants
3. Carbohydrates or fats
4. Milch
5. Decomposers

C. **Write true or false :**
    1. True
    2. True
    3. False
    4. True
    5. False

Part – II

A. **Very short answer questions :**
    1. Where are most ingredients used to prepare our food obtained from?

Ans. Plants

2. **Give two examples of ingredients we use in making our food.**

Ans. Salt and vegetables
