Grammar

A word that tells us what a person or an animal is doing is called a **doing word**.

1. Neha **writes** a letter.

In the above sentence, Neha is **doing** the work of writing a letter. So, the word **writes** is a **doing word** in the sentence.

2. The children **play** in a park.

In the above sentence, the children are **doing** the work of playing. So, the word **play** is a **doing word** in the sentence.

With the **singular** number, we **add -s** or **-es** in the doing word. But with **plural** number, we **don't add -s** or **-es** in the doing word.
