

The fire brigade uses ladders and water hoses to put off the fire. The job of the fire brigade is very risky. They save the lives of the people, trapped in the fire, without caring for their own lives.

### Fact File

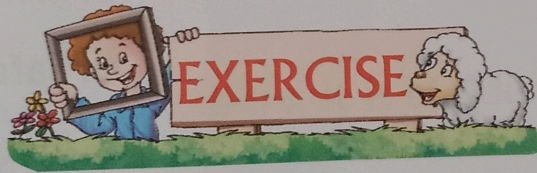

- In the Bank everybody is given a separate account number to make deposit and withdrawal of money easier and fair.
- Every place is given a separate PIN code, that has to be written, with the address, on the letters.

### Things to Remember

- There are services in the neighbourhood to make our lives comfortable.
- Hospital is a place where sick and injured people go for treatment.
- A Bank is a place where people deposit money and keep their valuables.
